1. OVERVIEW

Experienced and Qualified Contractors with CIDB Grading of 7GB or higher are invited to register on the database of PSCBC for a period of 36months.

The objective of this call for registration in the database is to create a panel of contractors for any possible construction work that may arise within the period of 36months. Submission of documents and successful registration in the database does not guarantee contractors any work.

2. PROPRIETARY AND CONFIDENTIAL INFORMATION

All material submitted in response to this tender shall become the property of Public Service Coordination Bargaining Council. Any confidential information provided by a supplier in response to this tender will be held in confidence and will only be used for the evaluation purpose only.

Public Service Coordination Bargaining Council may accept or reject any variation, deviation, tender offer, or alternative tender offer, and may cancel the tender process and reject all tender offers at any time before the formation of a contract. Public Service Coordination Bargaining Council shall not incur any liability to a Tenderer for such cancellation and rejection but will give written reasons for such action upon request to do so.

3. SUBMISSIONS
